GPA: 3.61 / 4.00 (WES evaluated)

Skills

- **Teaching Support:** Grading, exam proctoring, office hours, student advising and communication.
- **Research Support:** Data entry, data coding, data cleaning, literature reviews, spreadsheet organization, documentation.
- **Technical Tools:** Advanced Microsoft Excel, Stata, R, EViews, PowerPoint, Word.
- **Administrative Strengths:** File organization, attention to detail, confidentiality, reliability, professional written & verbal communication.

Relevant Experience

Graduate Teaching Assistant Fall 2024 – May 2026
Department of Economics, Illinois State University, Normal, Illinois

- Assisted faculty with undergraduate economics courses through grading, exam proctoring, office hours, and student support.
- Maintained accurate grading records and organized course materials using Excel.
- Communicated professionally with students regarding assignments, expectations, and academic inquiries.
- Supported faculty teaching needs with reliability and attention to detail.

Research Assistant 2019 – 2021
Federal University of Technology, Akure, Nigeria
Supervisor: Dr. Musiliu Adewole, Department of Economics

- Performed data entry, data coding, cleaning, and organization for faculty-led economics research projects.
- Conducted literature reviews and prepared research notes and documentation.
- Created and maintained spreadsheets for empirical analysis and data verification.
- Followed faculty instructions precisely while delivering high-quality support.

Graduate Teaching Assistant / Co-Instructor 2020 – 2023
Federal College of Education, Abeokuta, Nigeria

- Supported instruction in economics, statistics, and quantitative methods.
- Assisted with grading, exam preparation, and maintaining course records.
- Provided direct student support and responded to academic questions professionally.

Selected Data Projects

Labor Market Effects of Recreational Marijuana Legalization on Earnings

- Organized labor-market data, prepared variables, and maintained clean files using Stata for empirical analysis.
- Documented coding steps and supported graduate-level research project.

Corruption and Food Insecurity in Africa

- Assisted with data cleaning, variable construction, and organization of survey and country-level data.
- Supported literature reviews and documentation for applied economics research.

Honors & Awards

- Graduate Application International Network (GAIN) — Mentee, 2023.
- Best Graduating Student, Banking and Finance; ranked first in graduating cohort.
